

Breaks

- do not forget to keep the minimum distance
- do not form dense groups, e.g. for meetings
- ventilate the room regularly and extensively, plan frequent breaks for the ventilation of the room
- wash and disinfect hands again before the next rehearsal unit
- disinfect hand contact surfaces, clean areas of the wind instruments and wipe out wind instruments if necessary

after the rehearsal

- please dispose of all disposable towels and garbage (lockable garbage cans are available), then hand hygiene
- place disposable pads in the closable laundry bag
- please leave the room tidy, remove partition walls at the end of the day
- rooms and equipment are cleaned and disinfected daily by the staff of the Music Academy!
