

Rules of conduct in the Logierhaus

Making music, spending time together - this is (only !) possible if all the people involved commit themselves to the necessary Hygiene rules and rules of conduct.

Please help to avoid infections and protect yourself and others!

new ways (are signposted)

- please use only the side entrance with the key
- use the main entrance as „new“ exit
- please walk past the seating areas in the foyer and stairwell.
They must remain closed until further notice
- please walk on all paths only on the right side

necessary distance

- when entering the buildings and in the corridors and staircases, it is necessary to wear mouth and nose protection masks
- keep a distance of at least 1.5 m from each other
- do not form groups and it is best to travel only in pairs
- take the elevator only when necessary and then only alone
- avoids encounters with other guest groups
- stay in your assigned rooms. Single room means only one person, no meetings in the rooms.

increased hygiene

- sneeze / cough into the crook of your arm and turn away from other musicians
- use only disposable tissue
- wash your hands several times a day
- use the sanitary facilities in your room and avoid the public toilets
- also use the disinfectant dispensers that are available in the public areas
- avoid hugs and other direct contacts
- don't touch your face
- ventilate your room regularly

Attention in the dining room

- please keep to your mealtimes. They are staggered for different groups.
- avoids queues (max. 3 people in a row), prefer to come back 3 minutes later
- pay attention to the distance of 1.5 m in the queue
- please do not use self-service at the food/beverage counter. This is currently not allowed.
- keep the specified distance from tables and chairs, do not push them together
- When returning the dishes, please also take care not to form any queues and keep the distance of 1.5 m.

Important: if you're feeling ill (cough, fever etc.), please stay in your room and do not leave the room. Contact the reception immediately (phone 07934 992940) and your course instructor.

Thanks for your help !
